Vinification

The harvest is manual, sorting is immediate and directly on the vine. The destemming is total before putting in open tanks. The wines are vinified in a traditional way with temperature control. They are then aged in oak barrels for a period of 18 months (10% new barrels). Wine is neither fined nor filtered. Bottled at the Domaine.

Tasting notes

The wine is deep ruby with bright reflections. The aroma is both floral bouquet (violet) and fruity (strawberry, raspberry). This Chambolle-Musigny has an ample entrance, rich and complex environment with an elegant and slightly woody finish.
