

ROC DES ANGES

Segna de Cor red

IGP Côtes Catalanes

Technical information

Country: France
Region: Languedoc Rousillon
Appellation: Côtes Catalanes
Grape Variety : Grenache with Carignan and Syrah
Terroir : light and sandy topsoil on very old schist rocks
Age of the vines : under 40 years old

Vinification

No crushing (whole berries & whole bunch), wild yeast, fermentation in 24 to 65 hl concrete vatsm very light extraction. Aging in concrete vats for 8 months.

Tasting notes

In the glass, the dark purple of the wine flashes of magenta at the edge. Aromatically, the ripe blackberries, griotte cherries, dried plums, and dark chocolate give way to dark cocoa and pine needles as the wine evolves in the glass. The taste is warm with a beautifully textured core of dark fruit framed by silky tannins and a stimulating mineral lift.

Aging potential:

5 to 7 years

Wine pairing:

Ideal with strong flavored meats: duck, lamb wheter grilled, roasted or stewed.
