Vinification

The harvest is manual, sorting is immediate, directly on the vine, the destemming is total before putting in open tanks. The wines are vinified in a traditional way with temperature control. They are then aged in oak barrels for a period of 18 months (33% new barrels). Wine is neither fined nor filtered. Bottled at the Domaine.

Tasting notes

The wine has a purple color with bright reflections. The aroma is of red and black fruits with a toasted spicy background. This wine is ample, structured, spicy and sweet with a roundness and finesse that is very well balanced. Nice concentration with great elegance and a very good length.

Best to drink:

Wine pairing:

To share with beef steak, foie gras, roasted lamb, strong cheese and chocolate.
