Vinification

10 to 12 months in oak barrels with capacity of 500 and 600 liters

Tasting notes

White Marsannay wines offer the entire range of citrus fruits and white flowers such as hawthorn and acacia. The taste is often full and round and evolves over a well-developed mineral framework, with good length.

Wine pairing:

Good wine for white meat such as poultry, veal, pork, and additionally grilled fish. You can also try this wine with risotto and far Eastern cuisine such as sushi. It also enhances the taste of foie gras. The cellar years will allow this wine to accompany goat cheeses.
