Tasting notes

This wine has a deep intense red colour with long legs on the side of the glass showing a dense body. Aromas are of ripe red fruits, dry plums and dry orange peels. A subtle oak aroma gives complex flavours, and some notes of fresh tobacco and black pepper are evident when tasted. It has a firm structure, with still lively acidity, giving it both elegance and length. It has a dry finish that will develop well with time to a softer style.

Best to drink:

It could age for 5 years in good cellar condition.

Wine pairing:

Ideal with any kind of grilled meat, charcuterie and strong cheeses, also with casseroles and other spicy dishes
